Introduction:

Perfect starter home! Recently updated, very clean and move in ready!

Interior Features:

Two story traditional home with 3 bedrooms, 2.5 baths and a loft. Open concept downstairs living room and kitchen area. Large master bedroom includes an en suite master bath with a garden tub. The bedrooms have walk-in closets and all windows include faux wood blinds. Ceiling fans have been installed in most rooms. It is wired and ready for Google Fiber service. Updates include laminate wood flooring on the first floor, new sliding back door to let in a lot of natural light, new porch lighting, and a new water heater. HVAC was replaced in 2014. Refrigerator to remain. Fresh paint throughout, including the garage, makes this house feel good as new!

Exterior Features:

Home is 1/4 brick and 3/4 siding with an attached one car garage and a porch. Plenty of curb appeal with the front porch accented by a flower bed and a beautiful Kwanzaan cherry tree planted in the front yard. The large fenced backyard has new sod and plenty of room for family activities and pets.

Neighborhood Information:

Alderbrook Subdivision is a quiet neighborhood with easy access to North Memorial Parkway. Only 15 minutes from downtown and 20 minutes to Redstone Arsenal.

School Information:

Martin Luther King Jr Elementary (PK-5) / Chapman P8 / Lee High School. Additional options to consider: We attended Academy of Science and Foreign Language P-8 and Lee High School's Creative & Performing Arts Magnet 9-12th grade. Also located in the same building as Lee High School is New Century Technology High School.

Finishing Touches:

House is a must see! Own for cheaper than rent!
