## Introduction:

Don't miss this gorgeous 5 bedroom 4 bath home nestled on a premium lot at the end of a cul-de-sac in the Hamptons of Ross Bridge. Built in 2017, this home has 10 foot ceilings, hardwood floors, cathedral ceilings, architectural beams, a gas fire pit area, a 2nd bedroom on the main floor and so much more! The custom-built in library is a show stopper! The kitchen has stainless steel appliances, a gas cook top, quartz countertops and a massive island. The upgraded floor to ceiling glass doors in living area allow the indoor and outdoor areas to merge into a great entertaining area. The master suite features a spa-like master bath, huge tub, large walk-in shower, and walk-in closet! The upstairs has 3 extra bedrooms, 2 bathrooms and a den, perfect for the kids! There is also a convenient mud room next to the laundry room, and a bonus room that will make the perfect man cave or she-shed, and an oversized two car garage. This house will not last long! Make plans to see this house today!
