Introduction:

This lot is wooded, extra deep, with a gradual slope, and basement friendly. The Sovereign Point subdivision is located between Huntsville's two major medical campuses and affords easy commutes to downtown, Redstone Arsenal/NASA, Research Park, and most other employers and businesses. With convenience as a major amenity, The Sovereign Point is centrally located in the heart of a vibrant area with various grocery stores, numerous restaurants and a myriad of shopping venues just minutes away. Features underground utilities with natural gas, Google Fiber, ATT Fiber, Comcast Fiber communication providers, and public sewer
