Introduction:

This luxurious 6-bedroom home is situated at the base of Monte Sano and backs up to a pond on the Land Trust. The views and privacy are amazing from the exquisite Brazilian Tigerwood decks, massive L shaped pool, and hot tub. The stunning gourmet kitchen was designed for entertaining. It features custom Cherry cabinetry, stainless steel appliances, granite counters & stone back splash. The grand Master suite is on the main floor with a fireplace and glamour bathroom. 4 spacious bedrooms on 2nd floor have Jack-n-Jill baths and walk in closets. A magnificent bright rec room opens onto the paved patio and stone steps to the pool. The 6th bedroom has an attached nursery & large custom bathroom.
